POWERFUL CUSTOMER PORTAL & INVOICE FULFILLMENT SYSTEM

Streamline your receivables process with Fidesic AR

Fidesic Accounts Receivable allows you to easily send invoices to your customer in whatever method they prefer and provides an online customer portal for payment. You get paid faster and easier than you ever thought possible. This delivery system and portal works with how you are already using your Microsoft Dynamics GP®.

- ✓ Get paid faster
- ✓ Maintain cashflow
- ✓ Improve customer service

Fidesic AR Delivers for the functionality your payables department needs

Accounts Receivable by Fidesic has features and functions designed to save your Accounting Department time and save your company money.

- **Invoices Sent Right out of Dynamics GP**

Simply build your batches as you would normally and send them to Fidesic. We'll take care of emailing, faxing and mailing them.

- **Get Paid Fast**

The Customer Portal can be branded to match your company. They can pay via Credit Card or ACH and can even schedule automatic payments.

- **Receipts Post Back to Dynamics GP**

Once payments have been processed, they will post back to your ERP system against the original invoices. No need to manually find the invoice or key in receipts.

Tight Integration

Fidesic is designed to work within your accounting workflow to reduce the workload of your Accounts Receivable Department.

Automatic Fulfillment

Email Invoices right out of your ERP system. You can continue to mail paper, or have us handle that as well.

Automatic Reminder Messages

You can set your customer delivery preferences right from your ERP system, and we'll send out reminders on your behalf.

Customized Customer Portal

Fidesic keeps your brand in front of the customer. They can reprint, pay, and ask questions all through the portal.

Accept ACH or CC Payments

Fidesic works with your current merchant provider. If you don't have one, we'll get you set up.

Auto-Charge

Customers also have the option to pay automatically each month. They simply pick how they want to pay and we'll charge them automatically.

Because Fidesic AR integrates seamlessly with your Dynamics GP system, pushing out invoices to your customers becomes as easy as a click of the mouse.

Whether you choose to send your statements individually or by batch, whether some customers prefer to receive their bills electronically, while some still elect for the old-fashioned paper and U.S. Mail way, eInvoicing can accommodate anything your business throws at it while continuing to save you money.
